### Customer Service & Diesel Technical Hotline

1.800.521.4784
dieselsales@delphi.com
Monday through Friday
8:30 a.m - 5:00 p.m. ET

Available from:

Delphi Diesel Aftermarket | 1624 Meijer Drive, Troy, MI 48084, USA
www.delphiautoparts.com
Publication No. DDSU130C
©2016 Delphi Technologies, Inc. All rights reserved.
Program Highlights

Coverage for the most popular light truck engines:

Cost-effective alternative to new units without compromising on quality.

Full support:
- 14 month, unlimited-mileage warranty
- 90 day, no-hassle warranty
- R & R on qualifying Delphi remanufactured injector warranty claims
- Over 30 years of technical expertise available through our toll-free technical hotline

The Delphi Advantage

Unique Delphi OE manufacturing expertise of the most advanced electronic diesel fuel injection systems for over 60 years ensures that each injector meets OE specifications and performance.

Each injector is completely disassembled, cleaned and examined for wear and breakage. All critical, worn out or non-functioning components are replaced with new parts to help ensure reliability and performance. Then each injector is reassembled and tested for compliance in fuel delivery, injection pressure and timing.

Delphi’s quality guarantee - 100% new components replaced every time:
- Nozzle
- Solenoid
- Solenoid screws
- Check balls
- All O-rings
- Armature screw
- NOP spring, shim, stop

Nationwide warranty through our authorized service network.

Did You Know?

The HEUI® injector uses engine lubrication oil that is pressurized from 400 psi to 3000 psi to develop the fuel pressure necessary for the injector.

We offer a variety of parts to service 7.3L Ford & International T444E engines:
- Feed Pumps
- Glow Plug
- Injection Pressure Regulators
- Injector Installations Kits and Seals
- Sensors
